By Kim

Here is some information about a film festival coming to the Richmond area next week. We thought you might be interested in learning more and checking out some of the films -- they sound truly amazing!

The Weinstein JCC and the Saul Schottenstein Foundation B are proud to partner with the Richmond Community to bring the ReelAbilities: NY Disabilities Film Festival program to Richmond during the week of May 14-21, 2012. The Weinstein JCC was chosen to host this important and very meaningful endeavor and was given a grant to make it happen by the Saul Schottenstein Foundation B.

ReelAbilities is a film festival that presents award-winning films that celebrate the diversity of our shared human experience. These films are accompanied by discussions and other engaging programs in an effort to promote awareness and appreciation of the lives and stories of people with disabilities.
