

Saul Schottenstein Foundation B Makes a Grant to Starfire Council of Greater Cincinnati Inc.

Cincinnati, OH – September 1, 2015 – Saul Schottenstein Foundation B has made a grant to Starfire Council of Greater Cincinnati Inc. (“Starfire”). The contribution supports Starfire’s focus to decrease the social isolation felt by people with disabilities by embracing positive, person-first language, along with respectful associations and connections to help build up people's images apart from their labels.

Starfire is a visionary organization working to build better lives for people with disabilities who are lonely and isolated as adults. Working with one person at a time, Starfire connects people to relationships and uncovers a person's talents and passions - so they can thrive in their communities alongside their neighbors.

Jeffrey P. Harris, Saul Schottenstein’s nephew and a trustee of the foundation, believes the contribution furthers the foundation’s mission to foster consciousness of our connection and humanity.

Saul Schottenstein Foundation B was established in 2009 by the Estate of Saul S. Schottenstein. Visit the Saul Schottenstein Foundation B Web site at www.saulschottensteinfoundationb.org.
